Dear Mayfair,

My boyfriend, Andrew, was working so late the other night that his work had booked him a room overnight so, not one for missing out on a night with me in a hotel, he asked me to stay as well. Of course I said yes. I couldn't wait – it always makes me so horny staying in hotel rooms, I don't know why...

Ordering some champagne, I decided to take a shower and get myself ready for when Andrew arrived, and I don't just mean fresh and clean, if you catch my drift...

I was so busy lathering up and playing with my clit that I didn't hear the girl from room service come in. So I was pretty shocked when I turned round and there she was – 5'6' of sexy brunette, dressed in a cream uniform that was by far too tight around the chest – watching me just when I was really starting to enjoy my wank.

Feeling so horny and with my mind filled with lustful thoughts, I asked her if she wanted to get in with me before I could question the foolishness of the offer. She practically ripped her uniform off and, before I knew it, she was pouring shower gel all over my wet cunt and rubbing it in with her wandering hands. Starting to get really juiced up and feeling her big, suckable tits, I began licking her large nipples while she rubbed my clit hard – it was fucking amazing! I loved it – we were all over each other, lathering each other up and giggling as girls do, feeling each other's pussies (she had shaved off all her pussy hair and her big labia barely hid her pulsing, engorged clit). As I looked up from sucking on those big tits, I noticed my boyfriend at the bathroom door watching us with a look of total disbelief on his grinning face, a raging hard-on straining against the material of his suit trousers. I wanted to show him how much I was enjoying it so I bent over and she slipped her fingers into my pussy and started fingering me with three of them.

I begged her for more and my boyfriend at that point couldn't hold back any longer and jumped in the shower with us, his cock was so hard it was like concrete. I just wanted it deep in my slutty mouth and started to suck it straight away, getting down on my knees as the hot foamy water sprayed all around the three of us, taking it right down deep into my throat.

The maid was behind me, watching me suck on Andrew's cock, running her hands through my hair, staring at Andrew's dick until the urge to suck on it overwhelmed her and she joined me in front of him. She got down on all fours and started lapping at his balls – the lucky sod, he had two dirty bitches sucking and wanking his hard cock and playing with his hairy sack.

Together, we took it in turns to take it down our throats until both of us were on our knees and waiting for him to shoot his spunk over our faces and tits. We were kneeling there, playing with each other's soaking wet pussies, feeling as randy and as slutty as hell, wanking Andrew's cock into each other's faces and holding him in each other's mouths. Poor Andrew, he couldn't help but shoot his load all over us both, showering our boobs in jizz. She licked every last bit of spunk from my tits then, before getting out of the shower. Amazingly, she dressed without saying anything and quickly left, but he had left me so horny that I made Andrew fuck me for hours after that – he didn't get a wink of sleep!

I am not going to disclose the name of the hotel but we plan to go back there next month, and next time I am hoping room service is a bloke!

Dear Mayfair,

I find myself buying Mayfair every month just so that I get to see Daisy May. I think she's done such a great job editing the magazine over the last year, but if not, I'm sure you'll find another cracker to replace her. Going back to Mayfair Volume 58 Number 05, those photos of Daisy where she's pulling her knickers right up into her crotch are some of my favourites yet!

Wallace, Stoke.

Dear Mayfair,

It's really awesome when we get to see new faces in the magazine and it was love at first site when I opened up the magazine and fell across the sexual Goddess Jessica D! She's got the perfect style of pussy that I'd love to go down on, and maybe after an hour of pleasure she'd return the favour.

Alice, Nottingham.

Dear Mayfair,

Every now and then I have go over to a sales exhibition in Europe for work. It's good to get out of the office, but sadly these things are a bit dull, mainly just blokes in suits discussing boring deals. The last few shows have been brightened considerably by Sarah – a sales rep for one of our rival firms.

Since we first met we've got on great, always chatting and having a laugh in the bar after the show. She is a right stunner too, with her straight dark hair in a bob, and a fit curvy body that amply fills her business suit. I always thought there was a spark between us but for years noth-ing had ever happened, sadly.

On the first day of the most recent show I strolled around the conference floor, looking around the stands. Rounding a corner, I saw Sarah talking to a client. Our eyes met immediately and she gave me a little sideways smile. Once her client had gone, I walked over. She was as nice and cute as ever, and I was disappointed when she had to rush off to another meeting.

About an hour later, I saw Sarah walking purposefully towards me. She held out her hand and shook mine in a businesslike manner, then walked quickly away. As we had shaken she'd pressed something into my hand – one of her business cards. On the back, in her neat hand-writing, was printed: Room 3807, ten minutes. I flushed instantly and looked round to see if an-yone was looking.

Trying to look casual, I slowly made my way towards the lifts, pretending to look at the various stands on the way. I called the lift and made my way up to floor three. It was a big hotel, and it took me a while to find 3807, but finally I was there, and I tapped gently on the door, my heart in my mouth.

Sarah opened up and started to babble, "I hope you don't think I am too forward, I just wanted to make a move but I was too shy."

Being shy myself, I decided to silence her by simply locking my lips over hers. To feel her body that first time was fantastic. I ran my hands over her chest and was pleasantly surprised to find that her boobs were bigger than I had expected – having always been hidden by that business suit. I laid her back on the big hotel bed and began to slowly strip her, running my hands over her hot body whilst revealing a gorgeous lacy underwear set. She slowly unzipped my fly and wrestled my stiff prick out of my trousers. Looking up into my eyes, she took it gently into her mouth, her full lips wrapped around the shaft. It was all I could do not to spurt in her mouth there and then, but I wanted to wait and fuck her properly.

I just had to see that minge, so I laid her back on the bed and stripped her completely.

The moment her knickers came down, she pulled her legs wide apart, exposing her wet pink lips surrounded by a neatly trimmed dark bush. Without even waiting to get my clothes off, I leapt forward and slid my throbbing member into her, balls deep. She made the sexiest noise I have ever heard, part squeal, part moan, and I began to pump her, squeezing her lovely titties as she squirmed beneath me.

I turned her over and entered her again from behind, squeezing the sweet orbs of her perfect arse as I drove my cock into her sopping slit. We were positioned at the end of the big bed, fac-ing the headboard. On the wall facing the head of the bed was a big mirror and I could see eve-rything in it.

Sarah's face was a picture of concentration, her eyes screwed tight and her mouth a perfect O shape as she made little whimpering sounds with my every thrust.

Suddenly, her breathing became shorter and her moans louder. Her eyes popped open and she looked straight at me in the mirror.

"I'm coming," she cried, looking into my eyes. I felt her fanny walls pulse around my hard dick and I couldn't take any more, shooting my spunk in hot jets inside her cunt as she noisily came herself.

Since then, the conference visits have become the highlights of my year, with my corporate fuckbuddy though I couldn't tell you what any of them have been about!

Dear Mayfair,

When I first mentioned to my wife that I would like to see her fucked by another man, I think she thought I was joking. But as we talked more, my cock getting bigger and harder, she came to realise that I wasn't kidding in the slightest. We talked and fucked that night, my mind full of images of her and 'him'.

About a week later, we went for a drink in a boozer slightly out of

Daisy

Us boys over here at Mayfair might wash a few times a week at best, but Daisy here has got us thinking that we might start bathing in the morning and evening, but only if she could give a helping hand. We put our heads together over a pint and we're all happy to chip in and have a bath installed in the office so we can freshen up at lunctime too. Now the tricky thing will be for her to agree!

our usual area. Angie was looking gorgeous – as usual – short skirt with black stockings, tight top with 42DD tits bursting out. The pub was fairly quiet so we settled down with some drinks and a chat. It wasn't long before I noticed a guy sat nearby us who was staring straight at my wife's legs; he couldn't have made it more obvious if he'd tried. When he went up to the bar to get a drink, Angie followed and they struck up a conversation. I joined them and we chatted for a while. We both warmed to him quickly. His name was Mark, he was about 35, single and in good shape. It wasn't long before I had a picture in my mind of Angie and Mark fucking.

Come closing time I whispered to Angie that she should give him a go. She laughed and said okay. Mark accepted my invite back to ours and we set off. On the way back, I was near-ly shooting my fucking load just thinking about what was about to happen.

No sooner had we got in than my now drunken wife plonked herself on Mark's lap,

landing a big open-mouthed kiss on his lips.

He pulled away, immediately looking at me to judge what was what. I smiled back and nod-ded my consent and Angie placed her lips back on his and kissed him again, darting her tongue into his mouth.

Mark was overcoming his initial nerves rapidly. He started running his hands all over Angie's stockinged legs and in less than two minutes he had her down to her underwear.

He stuck two fingers inside her panties and it looked like he was sliding them up her.

I released my dick from my trousers and slowly stroked it. Angie grappled with Mark's jeans and released his cock as well. My stomach lurched – It must have been eight inches long and fat with it. Ang gasped and wrapped her hands around it. The thought of that huge cock sliding between her flaps was unbelievably erotic but at the same time I felt insanely jeal-ous. I wanted him to plunge it into her but another part of me wanted him to leave. I sur-prised myself as I blurted out, "Stick it in her!". He pointed that monster at Angie's cunt and slowly pushed it in.

I moved towards them so that I wouldn't miss a thing. My heart was thumping as he pumped my wife's fanny. Removing then squeezing his huge knob back inside her.

She was soaking wet, I could see her cunt juices glistening on his shaft. His cock was making delicious sloshing noises as it went in and out. I slowly stroked my own cock in time with their rhythm.

She was crying out in ecstasy now as he began to speed up. His cock was a blur and then he slowed down and pulled his monster cock out of her pussy. Before she could complain, he turned her over doggy style. Her lovely arse stuck up in the air, her tits swinging below her and her stockings laddered from all the action, she looked every bit the cock-hungry slut and I loved it. He pressed his purple helmet to the entrance of her slit and drove it home. He pounded in and out, her arse cheeks wobbled and her big tits swing like pendulums each time he slammed into her cunt. Both of them were groaning now, I knew one or both were near to coming, as was I. I'd been wanking my cock the whole time but decided the moment had come when I got a bit of the action. I went around the back of the sofa offering Angie my cock.

She looked up at me, smiled and took my pole into that welcomingly warm mouth.

Wow, I was spit-roasting my wife! She sucked my cock like crazy while Mark pounded at her cunt harder and harder. I couldn't take this any longer. My wife knew I was going to come so I didn't have to warn her, I just let those jets of spunk shoot down her very capable throat.

As usual, she swallowed the lot without complaining or spitting any out – God, I love that woman. As she milked the remaining come from my cock, I looked up at Mark.

Now that was the face of a man about to come. A split second after that thought, he pulled his slimy cock out of my wife's worked hole and spunked over her.

Fucking hell, I thought as what seemed like gallons of the shit spilled out over her arse and onto her stockings. I'll bet Angie was glad that fucking thing wasn't in her gob when it ex-ploded, but I guess I'll find out next time as Angie has invited Mark over for another session. I should be jealous, but she's also offered to take part in a threesome with another woman for me...

Dear Mayfair,

I've not seen Briony in a magazine of yours for ages, but I guess I might have missed an issue or two with her in them. She's a classic model, not covered in tattoos, just the one. I'd really like to see more of her if you can make that happen, I'm sure there are lots of other readers that like her too.

Alex, Essex.

Dear Mayfair,

Bravo on the Camilla Jayne and Tommie Jo spread last month. The photos where they're touching and kissing each other, especially between the legs are my favourites. I have no idea how the photographer taking the photos keeps it together so professionally. I'd be on the bed to join in in a flash.

Norman, Oldham.

Kelly

They say swimming's quite possibly the best exercise you can do. Certainly, the thought of the lovely Kelly McGregor putting in a few lengths before breakfast gets our hearts racing and the blood flowing alright, but it seems the girl herself actually isn't all that keen on it... "Well, I like the idea of swimming, but I never seem to get very far. The trouble is that once I'm in the water I start to get a tingling pussy and then there's only one sort of exercise I'm interested in doing – and it ain't swimming! Especially if there are any fit guys or girls in the pool as well!" Hmm, well there's a thought to conjure with. Still, perhaps the bit of swimming she managed at the start of this shoot might just work in our favour. All we need to do now is show her just how adept we are at the breasts-stroke...

Lexi

What with her lovely face, curvy bod and saucy ways, Welsh wonder Lexi Lowe's fast becoming one of out all time favourite babes here at Paul Raymond But it turns out that as well as making a name for herself in the big wide world of glamour, she's really a bit of a homegirl at heart… "That's right! I'm very proud to be Welsh, and I love nothing more than spending time with my family at the weekend whenever I can. It means a lot of trips up and down the M4, but I start missing them too much if I stay away for more than a couple of weeks!" Ah, that's very touching to hear – so us metropolitan types are going to have to make the most of you during the week, eh? "Yes! I'm very well behaved when I'm back home, so I have to make up for that big style when I'm away!" We're very glad to hear it!

There will be no Christmas celebrations at the Houses Of Parliament this year: they couldn't find three wise men.

Two men were out hunting on safari when they suddenly realised that they had wandered dangerously close to a wild jaguar. Both were frozen with fear when the big cat began to snarl in their direction.
"Shit! What do we do?" one asked. His mate thought for a moment before replying, "I think I'm gonna make a run for it and see how that goes..." The first guy almost laughed, "You can't outrun a jaguar, you twat!" The second man nodded, "Yeah, but I don't have to outrun him," he replied, smugly. "I only have to outrun you."

I got mugged by six dwarfs last night. Not happy!

A man goes into a bar and stands next to a beautiful girl, making a point of continuously checking his watch. Finally she turns to him and asks, "Is your date late or something?" He shakes his head, "No, I just got this magic watch." She laughs, "And what exactly does this watch do to make it magic?" The man smiles. "Oh, it tells me precisely what's going on." The girl grins back, "Oh, it does? And what does it say now?" The man checks his watch, "It says that you're not wearing any knickers." The woman laughs again, "Well, I'm afraid your watch is wrong - I am wearing knickers!" The man shakes his head.
"Oh sorry, it's one hour fast!"

Jamie

Jamie Jones comes fresh off making a debut appearance in sister magazine Club International, and she even managed to make it as cover girl! When she asked why we'd chosen her we may have made a comment along the lines of that it was because she's hot! Big mistake! Her exact response was "Are you judging me on what I look like, that's a little bit judgemental isn't it?" When we explained that 99% of the men buy the magazine to check out your stunning body, and only 1% care if you achieved a neurology degree from Oxford (but still want to see you naked), she got it!

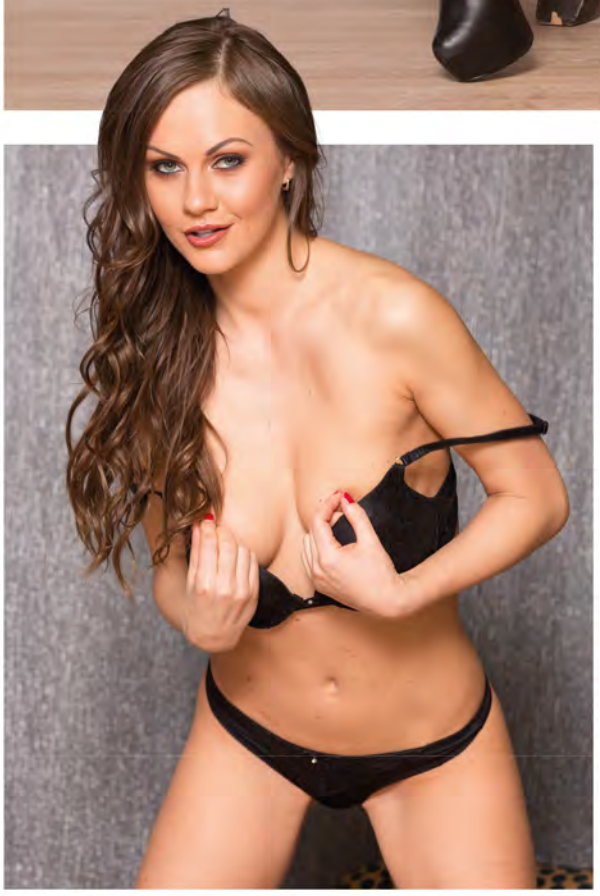
Tina



Tina Kay might have been around for a while now but she's still as fresh as a daisy – over the years she's been wowing fans appearing in our magazines and filming sexy videos. So, we asked her what's the best part about her job… "Are you crazy? All the cock and pussy I get to sample, of course! There's nothing better than getting fucked hard by someone who really knows what they're doing!" Hmm, well if you fancy handing out tips, or even some lessons, do let us know.

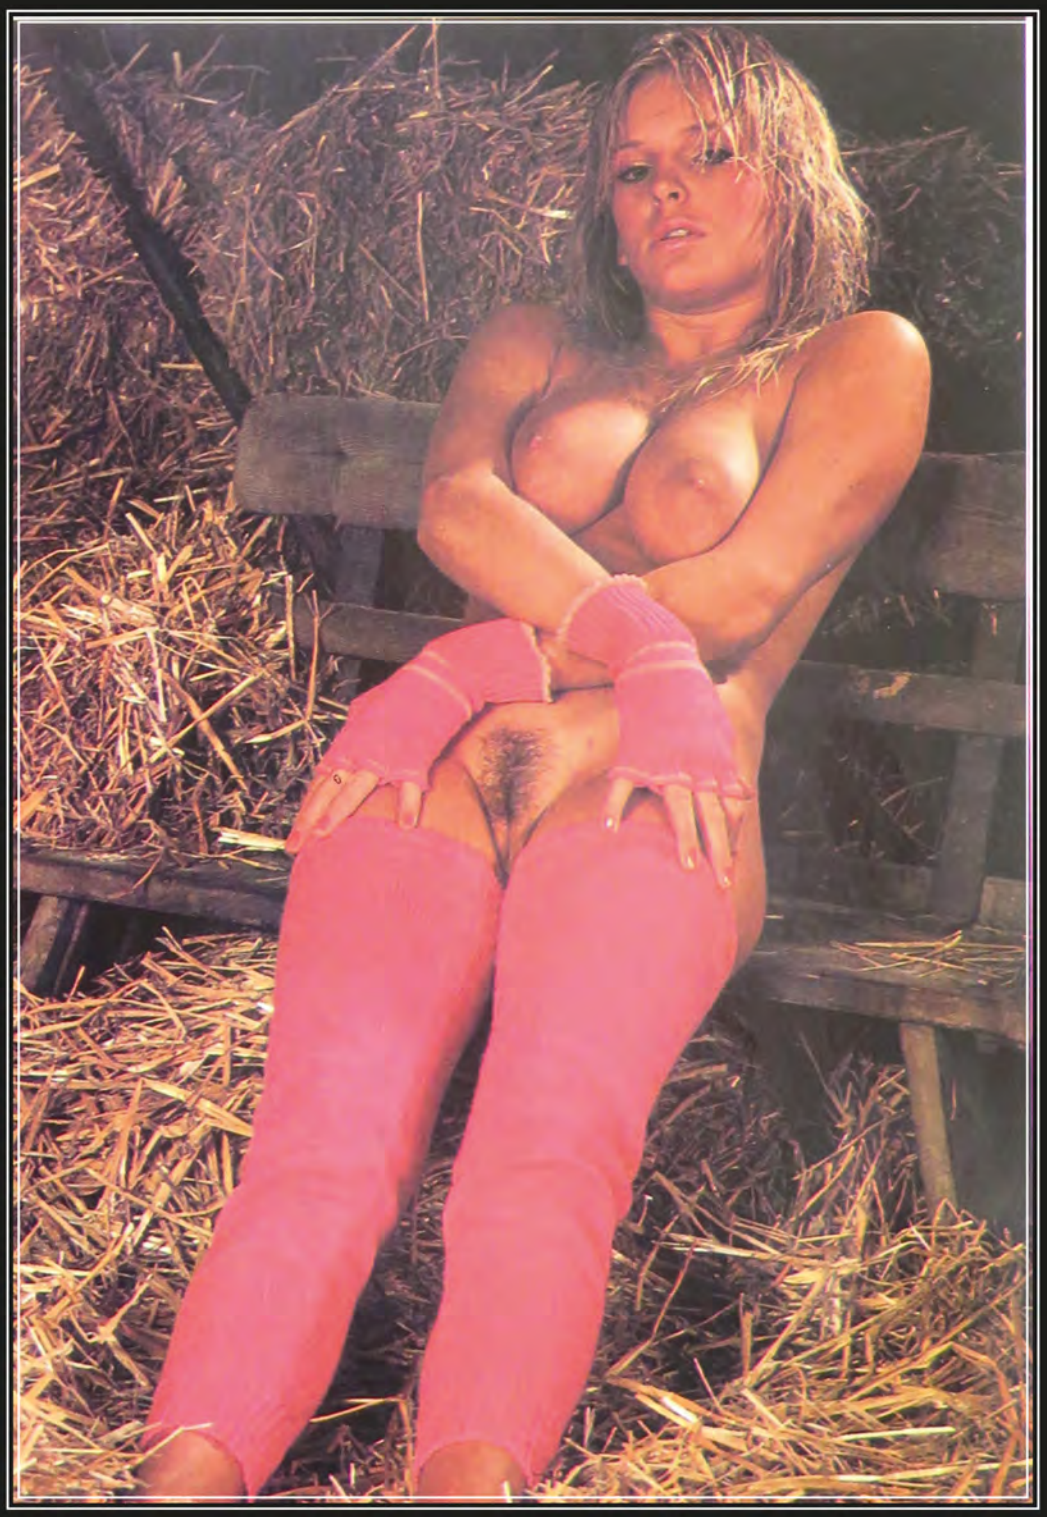
Lauren

Wow, there's wearing sexy underwear and then there's 'wearing sexy underwear', and Lauren falls in the latter with aplomb. Her long never-ending legs, ample breast and delicious derriere do help of course. And then once she's taken her lingerie off the treat of her pussy is unfolded, quite literally. There really isn't much more to say than enjoy the show, it's a cracker!



Elizabeth

Farmer's daughter. These two words conjure up a picturesque image of a sunlit hayloft with a buxom, rosy cheeked girl giving off an earthly sexuality. Elizabeth Vaughn fits the part perfectly, with her well-rounded 36-24-36 figure West Country accent. She lives and works on the family farm in the depths of Somerset, and unlike many other 21-year-olds she is perfectly happy with the quiet country life. "I enjoy the occasional weekend with friends in London, but it is all too hectic for me, and by the Sunday evening I'm usually relieved to get back from some fresh air.

But doesn't Elizabeth miss the world of discos and nightclubs which has drawn a lot of her schoolfriends to the city? "Yes, it would be fun to dance all night at some club, but I honestly prefer a moonlit walk through the field with a special friend, particularly if we end up in a cosy hayloft. And you mustn't think we're bumpkins just because we live in the country. We have our own wild parties." One night Elizabeth and some friends tried to hijack a tractor. "We'd just been helping one of our pals celebrate his latest batch of scrumpy, and when we left it seemed like a good idea to borrow his tractor and take a short cut across the fields." But a stone wall got in their way, and the unfortunate friend had to come out, and ferry them all home.

When Elizabeth is not busy around the farm you will usually find her out on her pony. "I call him Silver wick is an odd name for a black pony. I know, but I used to love the Lone Ranger when I was a youngster." Elizabeth feels very close to Silver because she helped out when she was born. "It all happened so quickly there wasn't any time to call the vet, so Daddy and I had to do what we could. Luckily it all went very well, and I fell in love with him as soon as I saw him, so I badgered Daddy until I was allowed to keep him. I've trained him myself and we have won rosettes at local events."

Kiki D

Does everyone called Kiki have to have ‘D’ as the first letter of their surname? Do you know of any Kikis with a surname that starts with another letter? But this Kiki D has been turning heads ever since she first appeared in the magazines. “I’m so excited about doing yet another photo shoot with you guys!” says the girl herself. “I remember when I was the one doing hair and make-up and now, I get these fantastic artists doing it for me. I love all the attention I get even before I’ve set foot on the photo set and started taking my clothes off, I’m living the dream.

We're all Mad here

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

My boyfriend Harry is from the Scottish Highlands and a really outdoorsy type of guy.

So, whenever we get a long weekend off work, he's always desperate to get out of town and into the great outdoors.

Over the last spring bank holiday I took him off on a picnic, knowing it would get him horny. And, luckily for me, we know a few places off the beaten track, where we can do what we like without being interrupted.

Sure enough, while he got the stuff out of our car I busied myself, taking my knickers off and laying back on the grass, letting the breeze blow up my minidress and over my pussy. I've always had a thing about 'letting my fanny breathe', and never wear much more than a T-shirt in bed, or around the flat, if I can get away with it.

My dress buttoned all the way down the front and it wasn't long before I'd stripped that off, too. When Harry had arranged the picnic basket and drinks on the blanket I'd packed I grabbed a little pot of yoghurt. I was still tanned from our Easter break in Malta, and as he watched I dripped the pale pink goo over my bronzed tits. It wasn't quite the same colour as his come, but it didn't need to be – I think he got the general idea! Just to seal the deal I made it worse by dipping my finger into the gunky substance and sucking it off, my finger disappearing between my wanton lips.

At this he could stand the sight no longer – he got his dick out, straddled my body, gently pinning me down – which I love – and started fucking my tits, just sliding his cock over my boobs rather than sticking it in between them to begin with. When it was all sticky with yoghurt he fed it into my mouth so I could taste the sweet treat from his throbbing helmet. I accepted his mucky prick enthusiastically, gobbling his length down in one, causing his body to shudder and my knees to tremble slightly. I ran my tongue along his shaft, polishing off the remaining yoghurt residue, paying particular attention to his sensitive bell-end. Moving my tongue down to his balls, I took them gently in my mouth, one by one, sucking them with gently before drifting back up to his tool. Even when I'd sucked him completely clean I just kept on going at it – and would happily have swallowed the entire contents of his bollocks if he hadn't pulled out at the last moment and shot them all over my boobs.

Not that he was denying me a taste of his jizz. We'd brought along one of those fresh fruit salads, and once he'd finished spurting he started dipping chunks of it into his muck, scooping the goop up before feeding it to me, watching rapt as I licked my lips and savoured the salty taste. It was one of the horniest things I've ever done!

Once all his spunk was finished, he changed position and started skimming the fruit through the juices welling at my pussy opening. Now and again, he'd slide a piece right inside my pussy, then suck it out before eating it. By the time he'd finished the fruit, I was halfway to climaxing – and desperate to get his cock up inside me.

"You go on top," he said, rolling back on the grass lazily, his knob straining fl at against his belly. I obliged, clambering on top of him, the breeze catching my long blonde hair. My nipples were rock hard, and he leant up to grab one with his mouth and sucked away on it while I lowered my dripping pussy down around his fat shaft.

As he sucked away at my nips I rode him hard, holding on tight with my hands and clenching my pussy muscles even harder around his prick, effectively massaging his cock as I bounced up and down harder and harder, driving his pole deeper and deeper into me with every thrust. He was groaning loudly with each thrust, his body still sweaty from his previous orgasm, spurring me on to go harder and faster.

Then he pushed me off and flipped me over onto all fours, obviously wanting to see my tight arse as he fucked me from behind.

He slid his pulsating prick inside my dripping fanny hole, making me gasp as I felt his thick prick filling me up once

again. Then he grabbed my bum cheeks and pulled them apart so he could see my bum-hole (always something Harry likes to do!), and began to thrust deliberately into my snatch. I let out an involuntary groan and pushed back hard, driving his dick into me right up to the nuts. With this he upped his speed, pistoning in and out of my tingling hole with wild abandon. At the same time he grabbed a handful of my hair and pulled, yanking it back and making me yelp, and I felt my orgasm approaching fast as he continued to slam into me.

My clit was super sensitive by now, and when he reached forward and started rubbing it I could stand it no more, crying out as I came, my pussy slicking his prick as I came all over it. This in turn set him off again, and with a grunt he treated me to the second dose of his creamy come of the afternoon.

When we had caught our breath I rolled over and he collapsed on top of me, my tits flattened against his chest, and we just lay there for ages before he finally rolled off and we actually ate a bit of the picnic.

We spent our day just fucking, eating and chilling out, until the sun started setting and the temperature started to dip. All in all, though, it was definitely the best day's picnicking I've ever had!

I've been friends with Paige since the first day of university and we found ourselves in the same tutorial group as we'd chosen identical subsidiary subjects. However, it wasn't our shared academic interests which made us bond so closely, it was our shared interest in men. I can still remember our eyes following the same guy across the room as we sat to-gether – I thought he was a hunk with a lovel bum and I think my face gave away my lustful thoughts as Paige looked at me and mouthed the words 'Oh My God'. I giggled and she laughed at me and everyone turned to look at us. I thought that two girls liking the same guys would lead to problems... but Paige had an innovative way around the issue. "Why don't we share?"

"Share?" I asked.

"Join forces," Paige said. "No bloke would be able to resist the two of us."

"That's true." I didn't really think through as to what would happen if we did bag a guy as a team. I'd never had a threesome and being rather naïve, didn't twig that Paige might be sex-ually interested in

me. As we discussed it further, we both got excited, thinking that we'd 'cover all bases' with her blonde curls and curvy body being a sharp contrast to my dark locks and trim figure. Even if a guy could defy either one of us, we agreed that we would be irresistible if we united – no guy would turndown an opportunity to be with two 'hot babes' as Paige called us.

We worked well as a pulling team and often ended-up with the best-looking guys at the pubs and clubs we frequented... but the guys were always in pairs and we never had to 'share'.

The closest we came was with Jason, an IT bod who was earning a few quid by providing support in the computer labs. He was gorgeous and quick to come to the aid of a couple of ladies in distress. We were close to a deadline when the last remaining printer decided to konk out. Jason came to the rescue and while he was fiddling with the fuser and clearing the paper path, Paige was angling to get her hands on his equipment. She was shameless as she bent over; flashing her cleavage and legs but Jason wasn't having any of it. He was the consummate professional, totally ignoring my friend's best efforts.

"There you go," Jason said, as the printer whirred into life and our documents started print-ing.

"We're very grateful, aren't we, Jess?" Paige gave me a knowing dig in the ribs.

"What? Oh yes, very grateful," I said, uncertain what Paige was angling at.

"All part of the service," Jason smiled, and with that he left!

"Thanks a bunch," Paige snapped, turning on me. "We could've had him."

"You were trying to pull him? I thought you were just flirting to get him to help us." "No... I was thinking about sharing him with you; you me and him. I'm all horny now..."

"Do you need to nip into the ladies?" I asked, teasing her. I knew all about Paige's needs when it came to sex; she'd be grumpy if she didn't get off.

"It doesn't have to be with a bloke you know," she said, biting her lip.

"What doesn't?"

"Us – having sex." It took a moment for me to make sense of her words but when I did, it was like squeezing the trigger of a sexual starting pistol. She was talking about having a threesome with me... without the third person.

"I didn't really want him anyway."

"So... he was a just an excuse... to be with me?"

"Finally! Yes. Jess – it's you I want!"

"Where can we go?" I asked, studying Paige's face.

"My house – now," she said.

There was an edge to Paige's voice which made my pussy tingle.

"Can we hand these in on the way?" I asked, fluttering our assignments in Paige's face.

"Only if you hold my hand, Jess," she replied, extending her hand to me. It felt naughty to be holding Paige's hand – like lesbian lovers – and it was very exciting as people turned to look at us. Their imaginations must have been running wild, especially when Paige kissed me. I let her do it, even with all those people watching, my heart racing and my pussy getting wet. My whole body was jangling, nervous excitement coursing through me as I thought about what we were about to do. I looked at Paige and mentally

undressed her, getting so excited that I found myself gasping for breath. This was really going to happen.

"Have you done this before – with a girl I mean?" I asked Paige, as she closed her bedroom door behind us. "Yes – but not like this," she said, starting to undress me. "She fancied me but I didn't really fancy her. I went along with it because I wanted to see what it'd be like, with a girl." My mind span as I took in the information. Paige had been with a girl before... and she fancied me.

"And what was it like, with another girl?"

"That's what I'm going to show you," Paige said, pulling me towards her and kissing me. Her tongue darted between my lips, curled around my tongue, licking it and playing with it. It felt so good and I instantly imagined that tongue between my legs, licking my pussy. My whole body yearned for her to touch me. "Not so fast," she said, "at least let me get your knickers off." Paige pulled my knickers down, exposing my pussy and something snapped inside me, seeing her down there, so close. I grabbed her head and pushed my crotch onto her mouth.

It was wonderful to feel the heat of her mouth on my pussy and my pleasure built rapidly as Paige started licking me. I couldn't believe it was my friend down there, licking me, sucking me. But it was her blue eyes staring up at me as her tongue wriggled between the folds of my pussy and found my clitoris. It was the naughtiness of what I was doing that made me or-gasm so quickly. I'm normally a slow-burner but this was just so damn dirty that I found my knees buckling as great waves of ecstasy flooded me.

My orgasm hadn't finished fi ring as I eagerly pulled Paige to her feet and pulled at her re-maining clothes.

Her body shape was much closer to my own than I had imagined, although her boobs were fuller than mine. I felt slightly uncomfortable as I reached-out and squeezed them with both hands, feeling their soft weight. Paige groaned and I realised that I had given her sexual pleasure. Bringing thumbs and forefingers together, I pinched her nipples and as she groaned again, I lowered my mouth over her right nipple and sucked. Her hands stroked my hair and I relaxed, as though I had been given permission to play with her body. It took me a while to summon the courage to do what I really wanted to do, but eventually I had Paige ly-ing on her back and I was down between her legs, kissing my way towards her eager pussy.

Her labia were hanging open and inside the puffy pink slit was a circle of darkness. I licked my finger, touched it against the black dot and pressed, watching as it disappeared inside my friend. Paige sighed contentedly as I curled my finger up inside her and rubbed the soft flesh of her vagina. I never imagined that I would do this and watched in fascination as Paige's pussy easily accommodated another finger. I fucked her with them, and marvelled at how quickly both fingers shone with her juice... juice that I wanted to taste. I slipped my mouth over the top of her pussy and licked.

Paige gasped and as my tongue pushed between soft folds of flesh, I knew just how won-derful it would feel when I licked her clit. It was something new to me, and it did feel odd to be licking my friend's pussy, but each gasp and grunt of pleasure drove me on. I wanted to make her come, make her explode with sexual pleasure – after all, if I did it well, she'd prob-ably ask me to do it again.

"Oh... my... God!!" Paige shrieked, and I felt the powerful spasms of her orgasm as her pret-ty pussy clenched around my fingers over and over. It was amazing being down between Paige's legs as she squealed and squirmed, knowing that I was responsible. "Ummm... yummy," she said, pulling me into a kiss, no doubt tasting her own pussy juices.

"So now all we have to do is find a hot guy..." I started.

"No way!" Paige interrupted. "No way am I sharing you with anyone, Jess." Paige wrapped her duvet around me protectively and snuggled in closer. "There's no escape now," she gig-gled.

"Why would I want to escape?"

Adele

We can only hope we're singing from the same hymn sheet as Adele because making a good impression has never counted more to us, than when the delightful Miss Taylor dropped in for a shoot. What's been happening in Adele's world? "Lots, so much so that I'm having problems keeping track. But I have been on webcam frequently, as I'm sure some of your readers know." We're sure some of you chaps out there do indeed know just what naughty things Adele's been up to.
